Conditions of Use: Schuerman Inspections provides this web site as a public service. It contains addresses of some locations where law enforcement agencies reported they found chemicals or other items that indicated the presence of either clandestine drug laboratories or dumpsites. The source of the entries is The US DEA official website and Schuerman Inspections has not verified the entry and does not guarantee its accuracy. Members of the public must verify the accuracy of all entries by, for example, contacting local law enforcement and local health departments. To report erroneous information found in the database, please contact postmaster@schuermaninspections.com. Schuerman Inspections does not establish, implement, enforce, or certify compliance with clean-up or remediation standards for contaminated sites; the public should contact a state or local health department or environmental protection agency for that information. Entries on this web site are not intended to constitute advice nor should entries on this web site be used as a substitute for advice from a licensed professional familiar with the specific facts and circumstances of the situation in question. The public should not act or refrain from acting based on entries on this web site. Schuerman Inspections does not accept responsibility or liability for damages of any kind resulting from reliance on an entry or on the lack of an entry on this web site.
